PHOTOGRAPHY IN A DIGITAL WORLD

Vision Project would like to announce an exhibition of photographs by the photographer,

Les Stone

The exhibition is entitled: Reality Check.

The show opens to the public on October 10, 2008
at 7:00 pm at the Pierogi Gallery in Brooklyn, New York.

Critically acclaimed photographer, Les Stone has many times chronicled the human cost of conflict around the world. He has also covered stories ignored by the mainstream media choosing instead to focus on issues of human condition.

Address: 127 N. 9th Street, Brooklyn, NY 11211
718-599-2144

Vision Project is sponsored by:
