

Exposed: A Survey of Documentary Photography

Working in collaboration with the Art Workshop and the State University of New York, Vision Project has curated an exhibition entitled: Exposed: A Survey of Documentary Photography. The show focuses on contemporary documentary photographers working in the field today. The participants are: Ron Amato, David Bulow, Richard Falco, Les Gilbert, Mark Leaug, Mark Peterson and Joseph Rodriguez. The exhibition opened at the Westchester County Center. January 24 - March 18, 2005.
